Documents for Verifying Your Identity when Opening an Account Online

Please take a photograph and upload images of the front and back of the following documents to verify your identity.

- * All items must be within their expiration dates.
- * Images of both sides are required except for the Personal Number Card.
- * Your name, address, date of birth, document name, issue number, issuing agency, issuance seal, and photo must be clearly visible in the uploaded image.

Required Document 1

**Residence card or
Special Permanent Resident Certificate**

- * Documents must be valid with more than 3 months before the expiration date of the period of stay as of the time of application.
- * Don't forget to take a photograph and upload an image of the reverse side.
- * If the resident card or other attached images do not show that more than 6 months have passed since the applicant's entry into Japan, a copy of a certificate of residence (issued within the last 3 months) or a copy of your passport may also be required.

Required Document 2

※Use one of the following.

A Driver's license

- * Don't forget to take a photograph and upload an image of the reverse side.

B Health insurance card (certificate of eligibility)

C Personal Number Card or Basic Resident Registration Card (with photo)

- * The notification card (without a photo) is not acceptable as an identification document.
- * Be careful not to take a photograph and upload the image of the back of your Personal Number Card.
- * Basic Resident Registration Card must be of a type that has a photo.
- * The Basic Resident Registration Card cannot if the Personal Number Card has already been issued.

***If you do not have permanent residence in Japan, you should also take a photograph and upload images of the following document.**

Required document 3

Documents confirming place of employment/study

*You should also take a photograph and upload an image of a document that confirms your place of employment or study based on your status of residence.

Example)

Place of employment: Health insurance card (certificate of eligibility), employee ID card, certificate of enrollment, employment contract

Place of study: Student identification card, certificate of enrollment

*All documents must include the name of the company or school.

*Documents with no specified validity period must have been issued within 3 months.

If your status of residence applies to the following, please also fill in the [Notification of Contact Information] field.

"Technical Intern Training," "Skilled Labor," "Designated Activities," "Cultural Activities," "Student," "Trainee," and "Dependent (Family Stay). "
